TO WHOMSOEVER IT MAY CONCERN

This is to certify that **Mr. Akhil Sanker** completed his internship at Positive Integers from **26th May 2020** to **27nd July 2020**.

During this period, he worked on various projects which included Automation of box framework for an MNC using Python. Prepared a Module for haversine distance calculation for large number of coordinates using divide and conquer approach. Worked on outlet identification using Google API & Prepared a module. He worked on a Data analytics project for extraction of relevant information. He was exposed to Python programming & used JupyterLab during the cycle

His performance on the project & conduct during the period was good.

We wish him all the best!!

Thanking you

For **POSITIVE INTEGERS PVT LTD**

(Nikhil Sathasivam- Head Delivery)

To whom this may concern,

It is my absolute pleasure to recommend Akhil Sanker. We worked together at Reallos Technologies, where he interned from January 2021-March 2021.

We thoroughly enjoyed our time working with Akhil Sanker and came to know him as a truly valuable asset to our team. He is honest, dependable, and incredibly hard-working. To make sure deadlines were met, he worked endlessly to make sure we met them. Beyond that, he is an impressive problem solver who is always able to address complex issues with platform-based technology startups. Akhil Sanker is inspired by challenges, and never intimidated by the challenges put in front of him.

His knowledge of JavaScript and expertise in React was a huge advantage to our entire team. He put this skillset to work to increase our total production and efficiency by 100 times. We know that Akhil Sanker was a huge part of our team's success and a successful product launch.

Along with his undeniable talent, Akhil Sanker has always been an absolute joy to work with. He is a true team player, and always manages to foster positive discussions, and brings the best out of other team members. He is a true self-starter and does not need to be told twice what to do.

Without a doubt, we confidently recommend Akhil Sanker join your team at your company/organization. As a dedicated and knowledgeable team member and an all-around great person, we know that he will be a beneficial addition to your company/organization.

Please feel free to contact us at +1 (469) 350 9711 should you like to discuss Akhil Sanker qualifications and experience further. We would be happy to expand on our recommendation.

Best wishes,

Akshat Sharma & Mario Flores
