## Who ever it may concern

I am writing to recommend Akhil. He worked with us at Rektech private limited as a machine learning intern and reported to me in my position as founder and ceo of altrekruit.com

As an employee, Akhil was always Diligent, hardworking and very curious to learn new stuff. During his time in my team, he managed to work on end to end machine learning module and was able to deliver more than expected,

I've always put a premium on smart and critical thinking among my team members and Akhil never failed to deliver. Akhil is a delight to work with and I wouldn't hesitate to hire him again.

Should you have any further questions about him, feel free to reach me at [mohan@altrekruit.com](mailto:mohan@altrekruit.com)

Thank You

Mohan kumaar  
Founder of altrekruit
